Re: Case No. TA-2006-0214; Correction to Tariff Pages

Dear Mr. Roberts:

Transmitted herewith on behalf of Comtel Telecom Assets LP ("Comtel") are substitute Title Pages to be added to the above noted Case. The Title Pages currently on file in this Case reflect the incorrect version number (e.g., Original Title Page in lieu of First Revised Title Page). On behalf of Comtel, the undersigned respectfully requests that the Commission substitute the Title Pages currently on file with the enclosed Title Pages in order to facilitate Comtel's adoption of these tariffs. This filing is made pursuant to Commission Staff request.

Thank you for your time and consideration regarding this matter. If you have any questions regarding this filing, please contact the undersigned at (972) 478-3309.

Respectfully submitted,

/s/

Becky Gipson

**THIRD ADDENDUM TO APPLICATION**

Pursuant to Commission Staff request, Comtel Telcom Assets LP (“Comtel”) hereby supplements its filing in this matter by providing the following information for Commission review:

1. In its Second Addendum to Application filed on December 23, 2005, Comtel requested Commission approval to adopt certain tariffs of VarTec Telecom, Inc. (“VarTec”), Excel Telecommunications, Inc., VarTec Solutions, Inc., and Clear Choice Communications, and filed both cover sheets and adoption notices as attachments to that submission.
2. Commission staff has advised Comtel that its numbering of the tariffs in certain of those adoption notices did not conform to Commission requirements (i.e., the number of the proposed Comtel tariff did not in all instances coincide with the number of the tariff being adopted.) Accordingly, Comtel has renumbered the adoption notices in question, and requests that the attached revised Exhibit “C” be substituted for the Exhibit “C” originally filed with the Second Addendum. Aside from the renumbering on four of the notices, the adoption notices are identical in all respects to those previously filed.

Respectfully submitted,
